DEOS II Sanders

Optimised Ergonomics

DEOS II Delta 663CV
100x152x152mm
SKU: MID6634044AN

DEOS II 353CV
81x133mm
SKU: MID3534044AN

DEOS II 383CV
70x198mm
SKU: MID3834044AN

Power input	300 W
Mains voltage	220 - 240 VAC
Speed	5,000 - 10,000 rpm
Orbit	3.0 mm
Height	10 cm
Weight	0.97 - 1.0 kg
Vibration level	2.6 m/s ²
Noise level LpA	69.0 - 71.0 dB

The Mirka DEOS II sanders are engineered for precision in corners, edges, tight and confined spaces, featuring a slim 10cm profile and lightweight design for superior maneuverability.

The ergonomic build enhances comfort during long sanding tasks, while the brushless motor ensures a reliable and high-powered performance.

The Mirka DEOS II sanders also have the enhanced Bluetooth connectivity with real-time vibration monitoring via the myMirka app.

- ✓ Compact
- ✓ Perfect for corners and edges
- ✓ Separate On/Off Switch ensures safe and convenient handling
- ✓ Low profile
- ✓ Low vibrations and low noise level
- ✓ Upgraded 300W motor for extra power in heavy-duty applications
- ✓ Brushless
- ✓ Enhanced Bluetooth connectivity
- ✓ LED RPM indicators (5,000-10,000 RPM) for precise control
