

MIRKA

LEROS Holder

For Dust Extractors 1230/1242

The **Mirka LEROS Holder** is the perfect solution for keeping your LEROS sander secure, accessible, and well-organized. Designed to mount directly onto Mirka 1230 or 1242 dust extractors, this sturdy holder enhances your workspace efficiency by providing a dedicated storage spot for your sander when not in use.

- ✓ **Secure & Convenient Storage** – Keeps your Mirka LEROS safely in place.
- ✓ **Quick & Easy Installation** – Simple mounting process for immediate use.

Note: Case fastener available separately.
