# Polarstar SR

## high-technology micro abrasive

Perfect Wet Sanding Solution  
for Flawless Finishes

Upgrade your sanding experience with Mirka's Polarstar® SR 32mm Channel PSA sanding discs, perfect for AOS-B, AROS-B, and other 32mm machines.

Engineered with innovative, energy-saving curing technology, this high-tech micro product boasts a low carbon footprint.

Ideal for spot repairs, automotive refinishing, and used extensively in car plants for fine-tuning paint jobs, the Polarstar® SR excels in wet sanding, correcting small defects, and removing dust particles from top coats and clear coats.

- ✓ Excellent for correcting small painting defects
- ✓ Perfect for removing dust particles in top coats
- ✓ Suitable for both machine and hand sanding
