

**MIRKA**

RIGID FILE BOARD

Hand sanding made easy.

Mirka's Rigid File Board combines a low-profile, durable build with ergonomic handling for superior control in sanding tasks.

Built for demanding applications, its rigid construction provides consistent pressure distribution, making it ideal for achieving a smooth and even finish. The ergonomic handle enhances comfort and grip, reducing fatigue during extended use.

Dust-Free Sanding

Mirka's fileboards are designed to work with Mirka's abrasive sheets or rolls. Connect the Rigid File Board to a Mirka dust extractor with a Mirka hose for a clean and healthy work environment.

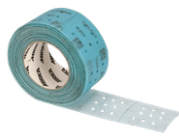

Use with:

Mirka Abranet
Abrasive Roll

or

Mirka Galaxy
