Surfaces

- · Clear coats
- · Top coats

Polishing pad

- · Yellow lambswool pro
- · White foam
- · Yellow foam pad
- · Orange foam pad

Polishing machine

- Rotating 800 2000 rpm
- · Random orbital polisher 6000-10000 rpm

Product properties

Speed:					
Polish, gloss:					

Work instruction

- 1. Shake or stir polishing compound before use
- 2. Do not use too much compound at a time. Use a small amount which is consumed on a focused area less messing and clean up!
- 3. Clean thoroughly before and after polishing
- 4. Work focused on an area of 40x40 cm at a time
- 5. Polish until a scratch free surface is achieved
- 6. Keep the pad clean, a dirty pad causes deep swirls and scratches

Technical specifications

Density: 1,05 kg/l Viscosity: 20,5 Pas Colour: White pH: 7,5 - 8,5

Storage recommendations

Recommended storage temperature: 5° - 35° C / 41° - 95° F Keep from freezing Shelf life is 3 years from the marked production date.
