

# Polarshine® Liquid wax

## Technical data sheet

### Product information

Designed for quick and easy sealing. Leaves a protective high gloss finish. Spray the wax on to the surface. Use the micro fibre cloth when hand polishing.

### Product advantages

- Fast and easy to use
- Leaves a long lasting surface protection

### Surfaces

- Clear coats
- Top coats
- Gel coats

### Application

- Micro fibre cloth

### Product properties

Polish, gloss:

### Work instruction

1. Shake or stir polishing compound before use
2. Do not use too much compound at a time. Use a small amount which is consumed on a focused area - less messing and clean up!
3. Clean thoroughly before application
4. Work focused on an area of 40x40 cm at a time
5. Wipe surface with microfiber cloth after application

### Technical specifications
